

**OCTOBER 2<sup>ND</sup> AND 3<sup>RD</sup> 2021**  
**GREAT SCALE MODEL TRAIN SHOW**  
**OFFICIAL COVID POLICY**  
**SEPT 15, 2021**

Our policy matches the official guidance of The Baltimore County Government, under whose jurisdiction we fall, and to whose regulations we comply.

As of the date noted above, guidance strongly recommends masks in public areas, regardless of vaccination status. In addition, social distancing, where practicable, remains in effect. The show itself has been designed with wide aisles and spacious areas.

Consequently, we strongly encourage masking and advise all those present to maintain reasonable distance among those around you.

If Baltimore County regulations change, we will instantly conform to them upon notice of the same, regardless of the date and time such regulations may become effective.
